**ADMINISTRATIVE LAW JUDGE'S RULING  
SHORTENING TIME AND SETTING PREHEARING  
AND SETTLEMENT CONFERENCES**

A prehearing conference (PHC) has been set for August 31, 2005, beginning at 10:00 am in San Francisco. A settlement conference will follow the PHC as appropriate. The PHC and settlement conference will address procedural, substantive, and scheduling issues relating to the allocation of the 2006 revenue requirement of the California Department of Water Resources (DWR). In addition, parties and DWR should be prepared to discuss the issues raised by the Petition to Modify Decision (D.)05-06-060 filed on August 1, 2005 by Southern California Edison Company (SCE), The Utility Reform Network (TURN), and the California Large Energy Consumers Association (CLECA). Parties shall not submit PHC statements.

In order to ensure that parties are prepared to discuss issues relating to the Petition to Modify at the PHC and settlement conference, the time to respond to the Petition to Modify is shortened, pursuant to Rule 47(f) of the Commission's

Rules of Practice and Procedure. Responses to the Petition to Modify are due no later than August 19, 2005. Responses to the Petition to Modify shall be served electronically, consistent with prior practice in this proceeding.

The staff of the Commission's Energy Division is available for assistance if the parties wish to discuss the issues presented by DWR's 2006 revenue requirement and the Petition to Modify prior to the PHC and settlement conference. Parties should contact Steve Roscow, in the Commission's Energy Division, at 415-703-1189 or scr@cpuc.ca.gov.
